

# Don't miss out!

Midwich and True Colours  
are hosting an InFocus  
demonstration day.

## InFocus

Bright Ideas Made Brilliant

Come and see the **NEW PRO AV products** presented by Ben Joy, Product Director of InFocus, and Mark Harris, InFocus' UK Country Manager.

2 NEW DLP and 3 NEW LCD models will be showcased on the day.

- Range offering up to WUXGA
- Filter-free
- 5-year warranty
- 24/7 operation on all DLP models
- No web pricing

This is a great opportunity to see the new InFocus products and discuss the great potential this offers from a margin perspective.
